Field Trip General Information

The Rancho Peralta Life program begins at 10:00am and ends at 1:00pm. The Ohlone Daily Life program begins at 9:30 and ends at 12:30. We have a lovely garden patio where your class can have lunch on site. Please feel free to come early or stay late to explore the creek, the native plant garden, and our historically themed play area.

Please be ready to divide the class in half for an orientation exercise and then into five equal groups for Peralta Rancho Life (balancing gender) and four equal groups for Ohlone Daily Life. All members of your group should wear name tags. Students should use first name only in **large** print please.

The Peralta Hacienda immersive fieldtrips are outdoor programs. Please be sure that the students wear seasonally appropriate clothes that they can get a little dirty. If your fieldtrip is rained out, staff will contact you the day before your visit to discuss rescheduling.

We expect you to take responsibility for the supervision and discipline of your students.

Please be prepared to bring back a large bag of candles and corn dolls, and a small box of wet adobe bricks.

We look forward to meeting you and your class,

The Peralta Hacienda Historical Park Staff
